PRESIDENT'S CHATTER:

CARAVAN AND CAMPING SHOW

The Caravan and Camping Association had granted ACCSA a sponsored site at the 2017 *'Let's Go Caravan & Camping Lifestyle Show'*, on from Wednesday 15th to Sunday 19th February, 10:00 am to 5:00 pm each day. That means that they will provide a site and facilities to promote Caravan Clubs. A number of Clubs have responded by volunteering to staff the site. If your Club has not done so, please advise me as soon as possible.

As result of the generosity of the Caravan and Camping Association, we ask that, as Club members, you promote the Show and encourage your family and friends to support the event. (See more details on Page 3)

STATE RALLY

The Planning for the State Rally is well advanced but we are still investigating several options to ensure those attending are well catered for with entertainment and interesting activities. The Registration Form has been distributed and I encourage all those who are attending the Rally to take advantage of the early bird discount and register before 31st March.

NATIONAL RALLY 2022

In 2022 South Australia is scheduled to hold the National Rally and it is necessary to commence the Planning Process. At the Delegates Meeting on the 1st February, 2017 I will ask that we allow time to establish a starting point and those that have registered an interest in participating on the Committee are encouraged to attend this meeting. The first matters to be resolved is to agree on a venue and date and time to commence the planning process.

Safe Travelling.
Graham Brown,
President, ACCSA

FROM THE EDITOR:

The December ACCSA Delegates meeting welcomed guest speakers from the Campervan and Motorhome Club of Australia Ltd (CMCA).

Kevin Collins, CMCA SA State Representative, and Ray Crowley, CMCA National Member Services Team SA Coordinator, gave an interesting and informative talk highlighting the CMCA organisation and its achievements. CMCA was established 30 years ago, now has 100 Chapters and over 66,000 members across Australia - more than 4,000 in SA, and is probably best known for the RV Friendly Towns programme, which has been extended to RV Friendly Destinations and RV Friendly Venues. RV Friendly means that there are dump points, parking for long vehicles and overnight parking available. CMCA are also promoting their Leave No Trace (LNT) programme, in which the Recreational Vehicle owner complies with the LNT Code of Conduct, including the Self Contained Vehicle policy. See the CMCA website, at www.cmca.net.au for more.

It seems that most Clubs are having a break over the December/January period, so not quite so many reports for this month.

NOTE: PLEASE SUBMIT CLUB REPORTS FOR THE MARCH JOURNAL **BEFORE 22 MARCH.**

SOUTHERN CROSS CARAVAN CLUB INC

December Rally at Pt Vincent Caravan Park	VANS: 6, for 10 nights Total spend $5437 Estimated

Thanks to our Rally Officers – John & Judy B and Annette & Roy .
Most of the members arrived on the Thursday and we were able to put up 3 of the repaired Gazebos. A big THANKS GOES TO JOHN B who was able to salvage the broken Gazebos from the Hahndorf rally and repair them with minimal expense to the club. WELL DONE JOHN and thanks to Judy for tolerating a backyard full of broken metal bits and shredded canvas !!! There was questionable help from the 2 x Johns during the erecting!!!! The fourth gazebo arrived on Friday with Bill and Lynne and then it was complete!!
FRIDAY
There was a change to the normal routine with the meeting held by the President John A on Friday at 4pm instead of the normal meet and greet. We welcomed 2 visiting couples to Pt Vincent Rally in Ron and Christine and Dean and Lesley. After an unusually long meeting with some robust discussion on issues raised, the ladies rushed off to complete their dishes for the Xmas Meal gathering. NO HAPPY HOUR for the girls! The boys set up the tables under the direction of Annette and we were away at 6pm sharing great Xmas food and fellowship. A great evening.
SATURDAY
Some walked with John early, but most stayed close to home – only coming out for the "tizer quiz" at 10am. We should have stayed in our vans but after moans and groans and brain drain and like "pulling teeth" we did quite well at what we thought was a really tough "tiser quiz". Sometimes we couldn't even understand the question let alone pronounce it!! Members then did their own thing until 4pm happy hour when Father Xmas and his 2 trusty elves arrived and gave us all presents. Father Xmas' split his pants and his knee got a good work out. He probably needs a stitch up and knee surgery after a few heavy weights sat in his lap! The kisses made up for it, though.
Saturday night saw us at the Vetnor Hotel for dinner and all of us had a great meal and John B was not the last one to get his meal.
SUNDAY
John and co. walked again early. Sandy and Pete left early to get home to Victor Harbor in time for an open inspection on their Victor Harbor House for Sale – any buyers?? The rest of the group enjoyed free time and happy hour and the traditional "fish and chips" in the Gazebo for their evening gathering.

PACK CAMPING CLUB Inc

Winding Up of PACK Camping Club Inc	

Rita Inwood, the Secretary of PACK Camping Club, has advised ACCSA that members present at their AGM on 18 October 2016 approved a resolution to wind-up and deregister the Club.

"With only 20 members (several aged over 80 and/or others not enjoying good health) the Club could not muster enough enthusiasm to embark on a membership drive. Also, circumstances have changed compared to when we were a large group and preferred to camp on private property. For many of us it brings to an end over 40 years of fellowship and enjoyment. We wish the Association and its members well for all future endeavours."

If you or a friend is thinking of upgrading your vehicle, please contact John Smith, Fleet Sales, North East Isuzu Ute, 112 Port Wakefield Rd., Burton, SA 5110. Tel: 088280 9899 Mob: 0409 099 413, email: johns@neisuzuute.com.au
Do make sure to advise John that you did so as a result of their support of ACCSA.

ACCSA 2017 STATE RALLY
AN UPDATE on the 2017 STATE RALLY,
to be held at the Loxton Caravan Park on 4th - 8th May, 2017

The Rally Registration Form, which contains all details regarding costs, and the Rally Programme are now available on the ACCSA website: www.accsa.asn.au, under the State Rally tab.

We seek your co-operation in completing the Registration Form and returning it as soon as possible to assist in the planning stage. Note the Early Bird discount for Registrations received before 31st of March.

The Planning Committee are now finalising details for the various activities and they are consulting with Kay Parrotta and Alistair Nixon-Smith of the Riverland Caravan Club seeking their local knowledge and advice on preparing the programme details. There has been a strong focus on supporting the local community and we encourage you, as members of ACCSA, to throw your support behind this venture.

For further information, or to put forward your ideas or suggestions for the Rally, please contact either Graham Brown, ACCSA President or Frank Gratton ACCSA Treasurer.

This is YOUR Rally! We would really appreciate YOUR input and assistance.

The Association of Caravan Clubs, SA has, as it's **Mission;**
"to promote caravan clubs to the general public, represent caravan clubs at a public and industry level and assist all members to safely enjoy the caravan and camping lifestyle."

December Christmas Rally at Mt Compass Caravan Park	23 Vans, $33 per night (+4th free) Approx spend in the area: $5000

(Edited from Newsletter)

We arrived at the Mt Compass Caravan Park on a sunny Friday afternoon. According to others who arrived on Thursday we missed out on some very cold, wet and windy weather. On the way through Mt Compass I couldn't resist riding the cow in the reserve by the main street. Easier said than done! At check in we received a free pen and goodies from Richard (owner of caravan park). Some of us sat around chatting Friday, not realising how warm the sun was and how easy it is to get sunburnt. Friday night was BYO BBQ. We had a bit of a singalong and a reasonably early night for most with high anticipation of the Christmas lunch and show the next day. As a bonus, we had donkeys serenading us throughout the night but nobody was able to pick the tunes. I made an ass of myself trying.

Come Saturday morning everyone was dressed in their Christmas finery. The markets at Willunga where a big attraction for some members (and most of Willunga) thus making car parking a premium.

We had morning tea, followed by the show and a roast lunch at the Alma Hotel. The PRYERS were our entertainment. Their names were Peter and Rhonda and they sang songs from the 50's, 60's & 70"s. I think most people were pleasantly surprised by the quality of the show. There was dancing, singing and I especially liked Elvis!

After lunch we headed back to the caravan park for a bit of R&R. One of the permanent park residents, John, was an avid collector of old golf balls. So, wanting to help him out, Colin and Bernie managed to hit a few dozen balls out into the paddock.

Saturday night was a light meal and sweets to share. The table was full of assorted deserts and I'm sure every-one got their sugar fix. The evening included the raffle draw, with first out of the barrel being Kate & John. After a little confusion from Keith, John was very happy with his selection. We later had a visit from a VERY MERRY Father Christmas and his ever present elf who handed out gifts to every-one.

We also had a visit from a mad Scotsman. His wife decided no-one wanted to see what he had under his kilt so a pair of appropriate 'jocks' were worn to save anyone's anguish or embarrassment.

January Rally at Mt Barker Caravan Park	Vans: 11. Park Sites $33 / night. Approx spend in the area: $2000

(Edited from Newsletter)

Mt Barker Caravan and Tourist Park is relatively small, with about 35 powered sites in the main park area. Most are gravel and many have concrete pads for annexes. Trees provide good shade for some sites, others are not shaded at all, although new trees are being planted. There are also about 24 sites around the perimeter of the adjacent oval, some powered, others not, all grassy but no shelter and quite a way from the amenities. Facilities are clean and pleasant. The camp kitchen is very small and is co-located in the laundry room. Electric BBQs are clean and free and the BBQ areas have good shelter with adjacent grassed areas. Management are very pleasant and very helpful, warning us about the approaching stormy weather, allowing late checkout on the Sunday and providing a gift for our next raffle.

After what was probably the shortest ever drive to a rally for us, we arrived at the park on a warm and sunny Thursday afternoon to find most of those who were attending had already arrived and set up. With a forecast of storms with extreme wind and rain in the hills area for Thursday evening, awnings were retracted and we all battened down to ride out the storm. Well, we had a little wind but certainly had some rain, hardly a storm though.

Friday dawned cool and drizzly but by midday had cleared up to be a lovely day. After the usual Happy Hour at the park, we enjoyed a nice meal at the local Golf Club with the delightful panorama of the golf course through the picture windows. All meals were reasonably priced and were served in good time.

The local produce markets attracted many of us on the Saturday morning, with a good selection of fruit and veg, and plenty of nice things to buy and consume whilst wandering around. Some went off visiting friends and others went sightseeing.

In the bright sunshine of the early afternoon, the sports gear was set up on the oval and we enjoyed playing disc bowls, rap ball, boules and quoits. No umpires, no scores, just good fun and, for quite a few, an introduction to the finer points of disc bowls and to the rap ball game, both of which were popular. Adjourning to a shady spot for Happy Hour then the preparations for the Aussie Themed BBQ evening meal began. Tables and people were 'dressed' in red, white and blue and some in green and gold attire also. The shared 'Aussie Style Sweets' were a great hit and enjoyed by all, as was the background music supplied via our new amplifier system.

The usual social gathering on Sunday morning was highlighted by the left-over lamingtons and small cakes from the Saturday evening meal. After farewelling those members departing for home, only five vans stayed for the rest of Sunday. We were pleasantly surprised to see the park almost full again when we finally left late in the afternoon.

Next Rallies: February: McLaren Vale, March: Avoca Dell (Murray Bridge)

JAYCO JAYBIRDS SA

December Christmas Rally, 2-4 Dec. at Wirrina Cove Holiday Park	

The Wirrina Xmas Rally was an outstanding success, hosted by park managers Holly and Ben. The park had more than a generous amount of space for our vans under huge shady gums and the comfort of lawned areas made it a call again location. Only a couple of members were unable to join us, but all in all it was a great turnout.

Friday night was cocktail night and there was a wide variety of wonderful concoctions, such as fluffy duck, whores dirty bath water, and cowboys just to name a few. Marie and Hal discovered that cocktails weren't too bad at all, with Marie's glass out for a second helping of grasshopper - oops all gone.

Saturday was more of a sit around day, getting over Friday night, but as evening rolled in we all came alive as we sat down to a magnificent meal prepared by our Holly and her mum. The games committee girls, Pauline, Jan, Judy and Sue, again excelled in organising games which had everyone in fits of laughter all night. There were countless reminders of the great night on Facebook the next day. And not forgetting Father Xmas. We don't know who had the most fun sitting on his lap, him or us? Also Alan2's rendition of the slatted plastic chair had everyone in hysterics, as it just went on and on. Anne and Don's thoughtful card and chocolates were a pleasant surprise. Also a special mention to Lin who nagged the reps for help with the gifts. The night wound up around 10:30ish as most had to pack up in the morning for the journey home. There were so many highlights from this December rally as everyone thoroughly enjoyed themselves, including Peter, whose camera was clicking away all weekend.

Next Rallies: January: Wellington Hotel (lunch only), February: Milang; March: Wallaroo

CAREFREE CARAVANEERS OF SA Inc

December Christmas Rally: at Riverton Caravan Park	17 Vans, 2 Cabins, 3 Day Visitors Estimated spend in the area $4000

The rally was attended by 17 vans 2 couples in cabins and 3 day visitors, some arrived a few days earlier and sussed the area out and started to prepare for the big event. The park is well presented, the management are very welcoming and the amenities were kept neat, clean and well serviced during our stay. The day before the big event saw Most of our members rock up to O'Leary Walker winery at Leasingham for lunch and of course a tasting that culminated in lots of product being purchased, consequently the afternoon disc bowls, delayed for awhile eventually getting underway and probably being the longest game ever. Our members made good use of the local businesses for shopping, eating and visiting over the three day period

The big day arrived with everyone pitching in to make it a huge success, father Fatten arrived, presents given out, raffle drawn, then into some serious fun. Sunday morning and the park (although we had been given a late checkout) were cleared by 10am.

November Rally at McLaren Vale Caravan Park	12 Vans, 1 Cabin Estimated spend: $5,000

Wow!! Great turn out to the rally even though the weather wasn't supposed to be very good over the weekend. Everyone had arrived between Wed & Fri arvo, everyone was sitting around Jim & Kays van chatting & nibbling away so we decided to have meet & greet a bit early as the sky was not looking to favourable. Managing to finish the meeting, just, when another caravanner came over to us to inform us that there were 100km winds on the way and we might want to roll our awnings up. Most scattered to roll them up with a few leaving their awnings out. No sooner had we all scattered back to our vans when the heavens opened and down it came. The wind picked up but certainly didn't get to 100km hour like we were told (thank goodness). Next started the thunder & lightening, oh my goodness what a view, watching the bolts of lightning and listening to the claps of thunder, meanwhile the power went off (ohh great) and didn't come back on till 4.20am.

We had tea out at the local bowling club (they had power) and bought raffle tickets to support their club. We ended up taking out about 8 of the prizes, a good night out. Back at the c/park we rugged up & sat out for a while chatting and having to boil water on the gas cookers to make cuppa's.

Saturday was cold & wet, after breakfast most headed to the Willunga farmers market being a bit disappointed with the amount of stalls their we headed back to McLaren Vale as it started to rain again so back to the park we went. Tea out Sat night was at the Hotel McLaren, lovely meal everyone getting a belly full from the Bain Marie with a great array of vegies & a good salad bar.

Sunday morning was cold, wet & windy so our farewell meeting was kept to a minimum. Only 1 couple were leaving that morn the rest of us stayed till Mon. We ventured to the info centre, which was also the local art gallery and had a great café as well. Everyone enjoyed a cuppa and something to eat, muffins, pies n pasties, hot pumpkin soup to name a few. We headed back to the park for the rest of the afternoon and did our own thing. Great rally even though the weather was not on our side.

December Christmas Rally 9-11 Dec at Coobowie Caravan Park	12 Vans. Total spend approx $3500

We had 6 vans roll up on Wednesday, this was a first. We up and then sat around for a while chatting. Later a few started to put lights up around their vans and decorate to get into the Christmas spirit. It started to rain after tea, enough to make everything very wet. Thursday was still a bit wet & very windy with a couple more vans turning up and managing to set up without too much trouble, the rest of the club arrived during Friday afternoon. We celebrated Frank's 70th birthday with singing and a cake at meet n greet on Friday. Once finished people left to organise tea, some ate in their vans others cooked and ate in the camp kitchen, after tea most decorated their vans with lights etc for the "best decorated van competition".

Saturday, a beautiful day ahead, we had communal breakfast in camp kitchen and then went over to the school house to decorate the room and organise the food prep for tea & Secret Santa that was happening Sat night. We had Christmas lunch booked at the Truebridge Hotel, Edithburg, this was great and everyone enjoyed their meal. Back to the park for a rest or to do your own thing. Dee & Michelle headed back to the school house later in the arvo to prepare & plate up everything for tea. Many hands came along to help which was great. 5.30 the other members started to arrive and find a seat for the evening. Tea was enjoyed by all with a great atmosphere and lots of chatter. There was a surprise visit from Mrs Clause & her Elf, Michelf, they apologised that Santa couldn't make it as he had a lot of other commitments & couldn't get to Coobowie. Mrs Clause & Michelf did a wonderful job, everyone received a gift. It was a great night with lots of laughs & everybody enjoying themselves. The evening ended and most heading back to their vans and called it a night.

From previous page;

Sunday morning came around with another beautiful day forecast. After the big clean up in the school room it was decided to go for a coffee, so off to the local café we went. Coffee & hot chips were the go, although not wanting to eat to much as we were having a bbq lunch being put on by the park. Sausages, bread, onions, sauces & coleslaw were on offer, it was a great bbq & again enjoyed by all. The rest of the afternoon was left up to the individual, some stayed sitting around enjoying each other's company, some went to their vans, some went for a drive etc. Sunday night we had communal tea in the camp kitchen to use up all the leftovers from Saturday night. What a great job everyone did, cleaned up most of the leftovers so there was very little wasted, well done. Monday morning, everyone but Thelma who was staying on packed up ready to leave. It was decided to have goodbye/farewell this morning as only 1 van left on Sunday. Barry announced the best decorated caravan competition winners, well done to Ian & Pen on winning this. The meeting finished & a few made the most of the late checkout time but most headed for home by 10ish.

What a great Christmas rally!!

FRIENDS & FAMILY CARVANNING AND CAMPING CLUB

December Christmas Rally at Riverton Caravan Park, 2nd – 4th Dec, 2016	15 Vans and 2 Cabins (34 Adults and 14 Children)

Twas the rally before Xmas and all through the park,
Not a person was stirring not a dog did bark.
Some came early and some came late,
It was time to relax and have a beer with your mate.

Many members were present, some old and some young
All put on their repellent and in the air it hung,
For the bugs were relentless on their Xmas feast
So with a spray of Mortein they were labelled deceased.

With the glasses all empty it was now time for bed
For tomorrow was the day for the big man in red.
The sun rose over the oval where cricket they did play
Morning cuppa came and we got the order for the day.

Arts and crafts for kids club, some fun to be had
Thank you Sue Roberts, they were all very glad.
While happy hour food was bought to the tables
Kids were all hoping the presents had their labels.

Carols were playing, anticipation grew
Adults were enjoying an alcoholic brew.
Down the drive came a big grey ute
In the back was the man wearing the bright red suit

Santa had arrived with a ho ho ho
He gave us a fright nearly falling "oh no"
He had lollies for everyone and threw a fair few,
Some got hit in the head, obscuring their view.

We all gathered round this man that we knew
Would we get coal or a gift we hadn't a clue.
On Santa's knee we all sat on our turn
A few naughty boys had voiced their concern.

Paper abound and smiles all around,
It seems we had all been good this year-round!
We waved good bye to Santa as he drove away,
With our presents we were left to play.

With the heat climbing up, it was agreed
A play in the pool was just what we need.
Splash time was limited, we were on the clock
As a big meal at the pub was to where we would flock.

We all took our seats and cracked our own crackers,
Tables for adults and one for little tackers.
Out came the roast then fish with schnittys trailing last
No request or order had to be cast

Raffles were drawn, all prizes given out
If you're short of a glass, give Mark Foley a shout
It was back to the park for coffee and cake
With our new sound system pretty lights, it does make!

It's with heavy hearts we say a final goodbye,
two families are leaving and we're not gonna lie
you will be missed by us all and we are very sad
some good times we've had and for that we are glad.

So, remember all members a new year awaits
New places to visit as the calendar states!
So book in early and have the foresight.
And Merry Xmas to all and to all a good night

SOUTHERN NOMADS CARAVAN CLUB SA Inc

December Christmas Rally at Tanunda Caravan &Tourist Park	8 Vans @ $36 per night. Total Park fees $900.

Three members arrived on Thursday. Friday morning they were awoken by a local rooster alarm clock. It was a beautiful day. Morning tea was enjoyed. Mary & Phil returned to the Adelaide for a Christmas Lunch, whilst the other members walked into Tanunda for a browse. On returning to the park, other members were arriving and setting up and decorating their vans. Happy hour had arrived and then some went to the Street Parade in Tanunda. On Saturday morning the rooster was at it again. It was another nice day, however a little hot later on in the day. Morning tea and meeting was attended by all members. At midday we all went to The Clubhouse Tanunda for our Christmas Lunch. The venue was great with a very impressive picture covering the back wall. The Christmas lunch was well organised with the table beautifully decorated. The two course meal with choices and a drinks voucher was enjoyed amid chatter and laughter. We enjoyed our Christmas Lunch at $20 per head (total $300) and each member received a $5 drinks voucher. ($75 value)

After lunch we went across the road to Wohler's for tea and coffee courtesy of the caravan club. Members then returned to the Caravan Park to rest up. The evening meal was finger food prepared and brought along by members. Oh so much food, Annette gave some of the leftover food to the children playing outside. After eating, we selected our Kris Kringle gifts. All the gifts were excellent. We were presented with our 2017 calendars, up dated members details and information brochures for prospective new members. Thanks to all the members who made it such a Happy Christmas. On Sunday, that pesky rooster again. Whilst members were packing up it started to rain. We had a brief morning tea meeting before heading off home. Merry Christmas and Happy New Year to all.

Enjoy Australia your way...

JAYCO'S SILVERLINE - FIVE STAR ON-THE-ROAD LIFESTYLE

For more than three years Jayco's Silverline caravans have been the number one choice for those who want only the very best in luxury road travel.

The 21' to 25' models continue to raise the standard in comfort, style, features and appointments - much like those found in a small city apartment.

Silverline 2016 upgrades include new sink and vanity taps, upgraded leather with highlight stitching and new décor colours for bedspread, curtains, laminex and floor tiles.

Most layouts, have classical five-star Euro-styling abounds with a push button electric slide-out bed and lounge seating in leather, a modern-design vanity and a fashionable spacious shower with exhaust fan in the en-suite.
The double bed has an innerspring mattress with pillow-top for maximum comfort and 12v reading lights; two-door 174 litre fridge; push out double glazed windows with in-built roller blinds and a 700x500mm roof hatch to bring in natural light to the bedroom and living room.

Standard features include the 21" 12-volt LED TV/DVD; the CD/radio LED stereo system with indoor and outdoor speakers, LED control panel to monitor water and battery levels, plenty of storage space and soft close drawers in the kitchen.

The comforts of home continue with a 3kg washing machine, roof mounted air-conditioner and 5mev 4-burner cooktop and grill with twin fan range hood and even a wine glass cabinet.
Some of the other standards are a concealed large-capacity storage boot at the front, slide-out gas bottles, tough all- round fibreglass construction providing a hail and dent resistance surface, slick rollout awning with LED strip lights and protective front pebble guard coating.

Silverline's JTech Suspension, standard on all touring and outback versions makes for smoother handling. "Silverline is fitted with alloy wheels, longer-lasting nitrogen-filled tyres, AL-KO ESC (Electronic Stability Control) and Jayco's unique JTech Suspension allows wheels to react independently of each other on rough roads, providing a smoother ride, says Jayco's national sales manager Shane Holloway. "Jayco's heavy duty Pedders off-road shock absorbers and coil springs can handle demanding outback conditions."

And for the roads less travelled the Silverline Outback version has 16" alloy wheels, AL-KO off-road brake magnets, pebble guard stone deflector at the front, an external shower, 150W solar power and regulator, mud flaps and a external gas bayonet to hook up your barbeque, anywhere, anytime.

With 12 months comprehensive coverage and three-year roadside assistance, Jayco's Customer Assist Care Program offers purchasers peace of mind while on the road with access to its 100+ extensive dealer and service network throughout Australia.
