PRESIDENT'S CHATTER

CARAVAN AND CAMPING SHOW
11th to 20th SEPTEMBER 2020
A NEW APPROACH TO RECRUIT VOLUNTEERS

ACCSA has been invited to apply for a Sponsored Site at the Caravan and Camping Show, **if it is permitted to open in September.** I have always maintained that it is important that we have a presence at the Show and I would like to ensure that we are represented again this year. However, it has been more difficult to get volunteers for the last two shows.

I am advised that not all people feel comfortable in approaching people in an attempt to recruit new members. To resolve this problem**, I propose another approach**; members volunteer for a 2 hour shift, spend time at the booth and the rest looking at the exhibits.

If someone does approach seeking information, we will have a list of the Club contacts with open membership and it is a simple task of handing them a copy. I will also ensure that an experienced member will be on hand to answer any questions posed by the enquiring public.

Please consider this attractive offer, recruit other members and contact me by telephone or email. Mobile: 0419 013 251 Email: president@accssa.asn.au

STATE RALLY 2021
A RALLY WHICH COSTS $15.00 PER VAN PER NIGHT
WITH A LARGE GRASS SITE AND DOG FRIENDLY

As a result of the coronavirus there has been some debate as to whether there will be time to arrange a State Rally in 2021. The 18th National Caravan Clubs Rally Committee is anxious to hold a rally at Barmera to provide an opportunity to test the ability to locate a large number of vans on site efficiently on the first day and to assess the power and water to the vans.

A concept that I have proposed is as follows:

That all Clubs set their March Rally for the 5th to 8th March 2021 at the Barmera Field Site.

Each Club organise their own activities similar to that which would normally occur at a Club Rally.

Clubs, if they prefer, will be allocated an area within the Field Day site to operate as a Club or alternately arrive and be allocated a site within a general group.

Friday night could be a catered meal on site provided on a subsidized basis or clubs provide their own meal or a pub night. Saturday night entertainment would be items from Club members.

The cost would be $15.00 per van per night. ACCSA would hire the Field Day Site which includes the pavilion and other associated costs.

Please discuss this amongst your Committee and identify how your Club can

PUT CARAVAN CLUBS OF SA BACK ON TRACK.

PRESIDENT'S CHATTER (CONTINUED)

CARAVAN OVERNIGHT FARMSTAY

The Caravan and Camping Industries Association has approached ACCSA with a proposal that we participate in the promotion of the Caravan Overnight Farmstay Organisation. There are over 100 farms registered in Australia that offer this service. The major benefits are the low site fees and the satisfaction of providing additional support to our famers. A number of reviews on their web pages compliment the hosts for their friendliness and information provided on local places of interest. The CEO of the Caravan and Camping Industries Association, Stuart Livingstone, will be a guest speaker at the next delegates meeting scheduled for the 3rd June 2020 and provide details of his proposal.

Graham Brown, President ACCSA.

ACCSA Mission:
"to promote caravan clubs to the general public, represent caravan clubs at a public and industry level and assist all members to safely enjoy the caravan and camping lifestyle."

FROM THE SECRETARY.

Hello everyone, I assume you are as tired of this hibernation as I am. I long for hitting the road as soon as possible and catching up with my fellow Club Members. Hopefully the powers that be lift the current restrictions soon, if not all ready by the time you read your Journal.

I just have two items to bring to your attention.

Firstly, the ACCSA AGM which was due on the 5th of August has been postponed to Wednesday the 7th of October at 7:30pm. The Executive have decided to conduct this meeting by a combination of a physical & video conference meeting.

This should work well and also give our country cousins a chance to participate without having to drive long distances. It is hoped that the restriction of 10 persons at a gathering will have lifted by then, if not we will just have to comply and make the most of it.

I will send out a formal notice and nomination forms for Executive Positions by early September 2020.

Secondly, our 31st State Rally is going ahead at this stage. Please reserve 5th to 8th March 2021 as your Club Rally destination and support ACCSA, the local Riverland community and your dedicated Committee. Those dates include the Adelaide Cup weekend. This will enable Clubs with children to attend. Arrangements can be made if you wish to beat the long weekend traffic and arrive on Thursday the 4th and depart on Tuesday morning the 9th of March.

We will be holding it once again at the Riverland Field Day Site at Barmera and it will be a last and final test for the National Rally.

Our President is keen to keep the cost of the State Rally at a minimum for you in anticipation of a large turnout of our Clubs. As we draw nearer, we will advise you of our exciting ideas to make this rally the best State Rally.

That's all from me for now, stay safe and take care.

Regards,

John Baans,

Secretary.

FROM THE EDITOR:

Since the March ACCSA Journal its been all about the coronavirus. It has been difficult for us all to keep up with the changes that have been happening almost every day. At the time of writing this column the Premier, Steven Marshall has announced the opening of caravan parks and camping sites which has been welcomed news. Clubs are jumping to the task of reorganising their rally programs for the rest of the year. When planning a Club Rally, it is essential the Committee refer to the sa.gov.au Covid-19 read the section headed "S.A. Roadmap for easing covid-19 Restrictions" to ensure total compliance with the restrictions. **Attached to this issue of the ACCSA Journal is Caravan parks and camping grounds – Step 1 Fact Sheet PDF.** It is further recommended clubs and their members contact caravan parks, to ensure that you are fully aware of any additional restrictions that may have been put in place by the Park Management. Look after and protect yourselves, be careful. The work of ACCSA and the 18th National Caravan Clubs Rally 2022 has continued, albeit under some difficulties. Given the current circumstances meetings are being handle by video, emails and phone calls. The ACCSA Delegates meeting will be held by video on 3rd June 2020 hosted by Graham Brown who as asked the Club Secretaries to join the video meeting.

In this issue: "Presidents Chatter" from Graham Brown. "From Around the Clubs" and don't forget our all-important sponsors: EBS, Adelaide RV, Kui Parks, North East Isuzu and Northern Caravan Storage and other items of interest from our affiliated clubs.

Enjoy the Journal, *Take Care, Robert Hart*

The rumour is untrue

IT IS NOT TRUE

The 18th National Caravan Clubs Rally 2022 is alive and well and has definitely **NOT** been cancelled.

Upon investigation it has been established that the rumour or error that has been getting around that our rally in Barmera has been cancelled is a mix up.

It is important that all affiliated clubs support these events please.

From around the clubs:

The **Adelaide Caravan Club** cancelled their April, May and June rallies and have nothing planned now until August. Whilst members have found being in lockdown boring, they are busting to get out to use their vans. The club is not going to rush into rallies currently and are therefore sitting it out for the moment. Further information about the club can be seen on their website https://www.adelaidecaravanclub.com/

April, May, June, and July rallies were cancelled by the **Barossa Valley Caravan & Camping Club.** In August, the members cannot wait to rally at Hummocks Station. During the lockdown members and been keeping in touch communicating by phone. Apart from being members they are all friends and are very keen to get back into their vans. Although not official rallies some members to somewhere close just to use their vans. During lockdown some have been hiding away in their beach homes.

The April, May, and June rallies to be held by the **Caravan Club of South Australia** were cancelled and the club goes into winter recess for the months of July and August. Whilst the June rally has been cancelled, members are finding that they need to get out and about and have booked into Wallaroo for the long weekend. To get members communicating, Secretary Janette held some activities over the Easter weekend by email. Members joined in quizzes, baby photo competitions and other games and the activities were enjoyed by all. Look up the clubs Facebook page at https://www.facebook.com/The-Caravan-Club-of-South-Australia-Incorporated-234448623351855/timeline/ for further club information.

Carefree Caravanners of SA cancelled their April, May and June Rallies, however now the Caravan Parks and Camping sites are open for business they are holding a rally in June at Mannum. Most of the members want to get back into their vans. Some members are going to Nuriootpa at the end of May.
Their website at http://carefreecaravaneers.org.au/ is the source of further information to read.

The **Coromal Caravan Club of SA** has resumed their rallies early, due to restless members tired of being home and just following our State Premier's advice to go and explore our own State. The club was due to go to Cobdogla in May but had to change as that park was only semi opened and had given priority to people with on-site caravans. We've ended up in Crystal Brook with only 9 members, just enough for a legal Happy Hour. The park is observing the distancing rules with amenities open at half capacity but there are a fair few vans. Some of our members have opted out to miss the rally because of health concerns. In June we normally have a social get together pub dinner and hopefully we can continue the tradition if places open up. July should see us celebrating Christmas in July at a members house and then onto more rallies from August onwards.

Members of the **Dave Benson Caravan Club** have not heard from each other during lockdown. There has been some sickness amongst the members and unfortunately, they have lost three caravans from their numbers. The club normally does not hold rallies in June, July, and August each year. Some members are have arranged non club trips with their caravans to Renmark, Hummocks Station and Ardrossan. After their winter break from rallies the club rally for September will be at Port Hughes.

Members of the **Elizabethan Caravan Club** have been itching to get out in their vans having cancelled April and May rallies. In June members are holding their Birthday Rally at Port Broughton. During the lockdown, the club have been acknowledging members birthdays and anniversaries, whilst, one member emailed puzzles to everybody which some have found very challenging. Check out their Facebook page https://www.facebook.com/Elizabethan-Caravan-Club-171615792858135/timeline/ for more information.

Family & Friends Caravan & Camping Club have not been doing anything over the lockdown period. They cancelled their April and May Rallies. Now that Caravan Parks and Camping Sites are open, they are going to Hummocks Station for the long weekend in June. Although no activities have been planned for the weekend abiding by the social distancing rules, members are looking forward to getting out in their vans. In May the club had planned to have a rally at Kapunda which was cancelled, however they have organised to go to Kapunda for their July rally. The club's AGM that was due to be held in July has been rescheduled for August. The clubs website at https://ffccc.com.au/ and the Facebook page at https://www.facebook.com/Family-and-Friends-Caravan-and-Camping-Club-formerly-SAPI-134938026579989/timeline/ are good reading about the club and their activities.

Due to the restrictions from covid-19 the **Jayco Caravan Club of SA** cancelled their April, May, June and July rallies. The committee are meeting on 12th June to plan their way ahead. Members have been lying low and staying well. They have lost a few members who have retired from caravanning and camping; however, they have picked up some younger new members. The club's website can be viewed at http://www.jaycoclubsa.asn.au/

The coronavirus pandemic had the **Jayco Jaybirds SA** cancel March, April, and May rallies. Now that caravan parks and camping sites are open the member cannot wait to get back into it. Therefore, the club will be rallying at Riverton in June and will then be back on track for their planned activities and rallies for the rest of the year. The club's website http://www.jaycojaybirds.com.au/ has further information of interest.

The **Port Augusta Caravan Club** did not rallies in April and May and were due to hold a rally at Morgan in June. Their rally program has not rally scheduled for July.

(continued)

From around the clubs: (continued)

The **Southern Cross Caravan Club** had suspended their April/May and June rallies and were not planning to have a rally until July. Now that restrictions have been lifted, they will be holding a rally in June at Nuriootpa and they will not hold a rally in July. The clubs proposed rallies now through to the end of the year are in August to Malang, September to Hummocks Station and Stony Creek Bush Camp, October/November to Cobdogla and December to Normanville. The club's website at http://www.scccsa.asn.au/ is a great source of information.

In there own words, here is how members Peter and Sandy from the Southern Cross Caravan Club have filled in their time in isolation.
Peter and Sandy have been filling in their time culling photo albums; refining and searching our family tree; making plantation shutters for our front door for about $100 bucks instead off $2400 that was quoted from those "Blind" suppliers; trying new recipes and cooking up a storm in the kitchen – some successful and some awful; cleaning out the cupboards but not the clothing because all the Op Shops are closed and learning to use Zoom and Webex. Sandy has especially enjoyed morning walks, even in the rain! She thinks "Social distancing" should be called "physical distancing" now and if she hears "We are all in this together" and " these are unprecedented times", she will throw the squidgy sponge at the TV and run screaming around the house!! Her mental state is STRONG, and the coffee machine has lipstick kisses all over it - it doesn't seem to mind. Best thing to happen is that she received a written letter from my old school friend telling me how important she has been in her life. Sooooo "Noice!"
So
Life is busy in lockdown!!
Cheers

The **Wanderers Caravan Club of SA** cancelled their April, May, and June rallies due to the restrictions and will now hold a rally in July at Morgan. The rest of the year will see the club holding rallies in August at Waikerie, September at Mt Compass, October at Paringa, November at Edithburgh, and December at Nuriootpa. Further information about the club can be found on the club website http://www.wccsa.org.au/

Rally Report April & May 2020

The Barossa Club was one of the first clubs to make a temporary cancellation of rallies until the end of June 2020 and as we do not hold a rally in July, we are looking forward to rallying again in August God willing. Our Rally Officer Elaine has been in contact with The Hummocks with the hope that we can still make that our rally. It's amazing how a club comes together in a crisis as we as the committee had communicate by email and phone to negotiate our cancelling of rallies and all members worked to ensure it all comes together.

Over the last eight weeks many of our members have rallied together to keep us all informed, looking after our wellbeing. President Bill and Jan delivered the caravanning magazines locally to a number of members and when they arrived at our home they backed the car into our drive way, stood by the car, at a distance we communicated, Jan asking my wife Joanne if she would like some apples, that night we made apple pie for dessert and with a dob of cream it was scrumptious. Members have been emailing and phoning each other with the Shilton's inviting us all to sit out on our decks, patio or under a tree with a glass of the best wine or spirit, special coffee and of course nibbles to enjoy happy hour with them at 4pm that day and text or phone each other for a chat.

The Robinsons sent us an hilarious poem Let's all drink to Lockdown, the Dempsey's emailed the members an Easter message good "Thorny Advice" presenting uplifting advice from the Cactus. President Bill sent a request to Members to have a recipe exchange as we all are staying at home and spending more time in the kitchen. The Parry's and Reilly's shared their experiences of their vegetable gardens with many other members sharing their thoughts, experiences poems and songs as well.

In November we had a racing afternoon with our Rally Organisers, in his racing disguise as Head Steward/Bookie Honest Ron, who took us through a fun packed afternoon of Fun, Fellowship, Raucous Laughter, Accusations of Cheating, to finally presenting the Coobowie Cup to the winners.

Honest Ron has sent us all an email telling us he has an idea for a Rally, Honest Ron is a person that listens intently to what people say and obviously stores it in his memory for later use. Honest Ron has put together eleven questions one of those being (A Lady whose husband is an avid crows' fan). He would like a response to the questions that applies to you. When he receives all the responses there is no doubt that the rally that he arranges will be packed full of fun, lots of Laughter, thank you Ron.

At the end of each month the Secretary sends out a list to all members of birthdays and anniversaries for the following month, President Bill this month went even further and sent emails to the recipients and when they opened their email they were hit with a glitzy Happy Birthday and or Anniversary. Thank You Bill.

To close I would like to thank the team from ACCSA in the professional way they send out the emails of upcoming events the National and State Rallies, ACCSA Journal, SAPOL Reports and many other forms of interesting information that helps to enhance us as a club and our lives.

Thank you all for reading,
Secretary BVCCC

A message from Bert van Spronsen, Kui Parks

The importance of Recovery

In these unprecedented times, we have all realized how vulnerable we really are. There were times in the last year where we felt a sense of helplessness as we saw many in this great country struggle with the impact of floods, droughts, water shortages and bush fires. Experiencing these mostly as observers, nothing has impacted more people more personally and more profoundly than this global leveler, the corona virus!

Fortunately, it seems that we are showing signs of beating this thing and have in fact come out of this pretty well considering the awful impact globally! As resilient Australians, we know there are many 1000's of us already focusing on the total lifting of the lockdown limitations. We have all become more aware of one another and sympathetic to our fellow Australian. Maybe we will travel with more empathy, care and compassion as we head off again discovering the 'lucky' country!

It's time to refocus and recognize that we are on the road to recovery. Without any doubt, the impact of this virus has heavily impacted millions including many of our regional towns, businesses and fellow travelers. Take your time out there. Stop, stay a while, relax, explore, stop rushing, unwind, smell the roses, savor the sites & sunsets, take your time and above all give yourself a break. Stop rushing. Stay a few days in the communities and spend some time exploring the town and the region, and of course supporting local communities and businesses.

Kui Parks will be there to welcome you and give you that spot to stop, stay and enjoy your travels. Thank you for supporting Kui Parks. For more information on Kui Parks we welcome you to visit https://www.kuiparks.com/
