PRESIDENT'S CHATTER:

THE 2017 STATE RALLY - PROMOTING OUR RIVERLAND

At the Delegates meeting in September it was agreed that ACCSA would conduct a State Rally in 2017. The Riverland Caravan Club had suggested that this Rally be held in the Riverland and as a result several options have been investigated by the Executive. A presentation will be made at the Delegates Meeting on the 6th April for consideration by the club representatives.

To hold this event in the Riverland provides a great opportunity for the Caravan Clubs of South Australia to demonstrate our support for the local tourism industry. We often hear the slogan 'support local industry' - well this is our opportunity to do so.

To be a successful Rally it will requires good ideas and effective planning. There is a great wealth of experience and knowledge in organising Rallies amongst our members and we ask all Clubs to encourage these people to join the group and be your representative on the Planning Committee.

It would be a tremendous boost to the Riverland and a benefit to the status of all Caravan Clubs in SA if we can get total patronage from all Clubs and make this a major event.

If anyone has any enquiries or suggestion please contact any members of the Executive or your Delegate.

Safe Travelling
Graham Brown

The Association of Caravan Clubs, SA has, as it's **Mission;**
"to promote caravan clubs to the general public, represent caravan clubs at a public and industry level and assist all members to safely enjoy the caravan and camping lifestyle."

FROM THE EDITOR:

Thank you to all the Clubs that have sent in information for the Journal—we have a good lot of information for this issue. Keep the 'Rally Spend' information coming in. It is proving to be quite significant, so the more the better. I will send out a separate note to Secretaries and Delegates to assist with the collection of data.

At the Delegates Meeting in February, we discussed the need for caravanners to be aware of the dangers when travelling during extreme fire danger days or through areas where a bushfire is current or has been recently active.

Members are advised to view information available on the excellent CFS website at *www.cfs.sa.gov.au* and search for CFS Fact Sheet 9-02-Caravan and Camping Bushfire Safety as well as the Bushfire Traveller Safety leaflet.

Consider how your Club will act to avoid exposure to fire danger and what action members will take if there is imminent danger in the area.

NOTE:
PLEASE SUBMIT CLUB REPORTS FOR THE MAY JOURNAL **BEFORE** 22 MAY, 2016

BAROSSA VALLEY CARAVAN & CAMPING CLUB

February Rally: Normanville Jetty Caravan Park	7 Vans, Approx Local Spend: $210 + meals, café, etc.

Seven vans attended, four members stayed in cabins, one prospective member on their third rally. The park is set up well with green lawns and trees, quiet location, good facilities including a rec room and kitchen. Due to nice weather we chose to sit near one of the member's vans where the park had allocated the club an extra site. Management couldn't do enough for our members, pancakes mixture supplied for Sunday Breakfast. Cost of powered site around $31.
Saturday lunch held at the Yankalilla Hotel lovely food, service at a reasonable price. Members enjoyed walks along the beach and at night playing Rummikub.
Sunday Valentine's Day started with a fluffy pancake breakfast followed by members going to the Cape Jervis market, for lunch members went to the Beach Kiosk & Café, next to the surf lifesaving club more like a top class restaurant, top class food at good prices. In the afternoon, Valentines theme was with Wedding photos beautiful memories to share. Monday morning was packing up after a relaxing weekend for most a few stayed on.

March Rally: at Port Broughton Caravan Park	11 Vans and 2 cabins Estimated local spend: $3168

Friday arrived & set up. After a relaxing happy hour, we had a combined dinner, then sat around talking.
Saturday was very hot and a lazy day at the pool followed by a meeting and happy hour then dinner at the Port Broughton Hotel, good meal, pricing and service.
Sunday eighteen members went to Clements Gap checking out the local history, how people coped in the earlier days, and an array of old sayings. This was followed by a dirt road adventure to Mundoora Markets, on the way some members stopped to take photos of three sculptured pigs misbehaving. We enjoyed a wide variety of tables and great social interaction at the markets. In the afternoon the pool beckoned again
Happy hour was going great until Graham & Jeff went to pick up fish & chip dinners. The wild weather came in & chairs went flying, the sand and rain was stinging, it was like sandblasting. Hence, dinner was in the camp kitchen.
A very enjoyable weekend. Park and surrounds and amenities were well maintained with staff polite and helpful.

Next Rallies: Middleton (April) and Berri (May)

CAREFREE CARAVANEERS OF SA INC

February Rally at Port Elliot Caravan Park	14 Vans Estimated Local Spend: $3,200

It is not difficult to arrange a fun weekend at this location. The location of the Park provides a great launching spot for various activities including the ability to take walks around the magnificent coast line. A stop over at the local Fish and Chip Cafe at the Bay proved to be popular pass time. The Club organised a historic walk around the town with the self-guided brochure obtained from the museum at the local railway station. Although there was no cost for the pamphlet, the Club made a donation to the Historical Society as a gesture of our appreciation. The participants then rewarded themselves with nourishment at the well-known bakery (a place not to be missed).
On the Sunday, a number of the members took advantage of the Cockle Train to spend the day travelling from Port Elliot to Goolwa and Victor Harbor and the local markets.
The Park has a camp kitchen but, because of the popularity of the venue and the large number present on the weekend, we found it is difficult to use this facility for activities. Fortunately, we had excellent weather and were able to run our combined activities outside on Friday and Saturday

Next Rally:

ACCSA 2017 STATE RALLY

Affiliated Clubs are asked to provide one of their members to represent them on a sub-committee to plan the next ACCSA State Rally. The sub-committee will report to the ACCSA Executive and will be tasked with determining the time, place and programme for the State Rally. It is envisaged that they will meet 3 or 4 times a year and will assist the Executive with final implementation of the programme.

Please ask among your members and forward name(s) to:

Graham Brown, ACCSA President at : president@accsa.asn.au

Tips and Tricks

Problems with 12 Volt trailer connectors

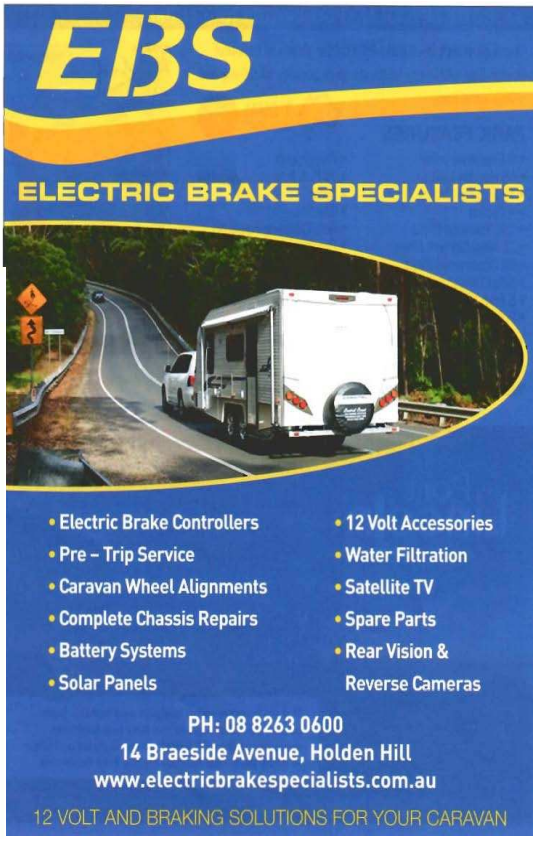
At the February Delegates meeting we were pleased to welcome Russell Sayer from Electric Brake Specialists (EBS) who are long-standing sponsors of ACCSA.

Russell provided an overview of EBS, from its beginnings through to the modern business as specialists in all electric braking systems, chassis repairs and under trailer maintenance from pre-trip services, wheel alignments, brake controllers and complete brake conversions. Russell demonstrated the workings of various trailer braking systems and electronic brake controllers.

Of particular interest was the answer to a question from the delegates present regarding problems with the common 7 and 12 pin flat trailer electrical connections. Russell's advice was to consider them as consumable items - in other words they should be replaced as part of the regular caravan and vehicle maintenance regime, generally after about 3 years of service. Reasons are the increased electrical resistance that occurs when pins are squeezed during normal 'wriggling' to connect or disconnect and normal oxidisation of the brass fittings exposed to moisture. Faulty electrical connection at the connector can cause LED lights to play-up too. Problems can sometimes be traced to the pins which have been closed together, especially pins #1 and #4 (the outer pins), which supply the left and right turn signal current. Such faults can often be temporarily fixed by slightly opening the split end of the pins very gently, with a small bladed screwdriver. Where poor electrical connection occurs, particularly with the high current drawn by fridges through the accessory pins on 12 pin connectors, the connector pins and sockets can become hot enough to melt and fuse together or burn out. Russell recommends the use of genuine Anderson plugs for those situations, along with suitable sized cables for both power and earth, from the tow vehicle, through the Anderson plug, to the fridge. We thank Russell for sharing from his extensive experience.

GUEST SPEAKER FOR APRIL DELEGATES MEEITNG

Our Guest Speaker for the April Delegates Meeting will be Lyn Kirkland from COTA. Lyn will be speaking on the subject of "Moving Right Along - Older drivers, fitness to drive and assessments".
The session is interactive and includes discussion, activities and questions, and handouts are provided.



When you visit any of our sponsors
don't forget to mention that you are a member of an ACCSA Associated Caravan Club

CARAVAN CLUB OF SA Inc

January Rally at Hahndorf Caravan Park	

Our first rally for 2016 was at the newly renovated Hahndorf Park.
It was very impressive even though not yet fully finished.
We arrived on Friday, set up and I just finished fastening the awning when this almighty storm bit us with hail, wind and heavy rain—unbelievable—had not seen such a storm even over winter. When others arrived later, they said it did not hit the northern suburbs.
Saturday we had a committee meeting in the afternoon followed by happy hour. After tea we followed each other to the sound & light show. A very different and enjoyable evening with supper supplied of tea, coffee, juice, scones and muffins.
Sunday we arose to the clubs Australia Day Breakfast of eggs and bacon. Again thanks to those dedicated members who did the cooking.
Some members attended the tour of the Cedars, a very informative tour. Others went to Crush and tasted wines.
In the afternoon we all had a fun game of disc bowls with Bob and Mary being the champions. The BBQ with shared salads as usual was a great success, too much food.
Monday was left to everyone's own device. A few members went for lunch at The Old Mill in the main street. In the evening we all had a game of "glow in the dark" bowls. Congratulations to Milly and Tim for their strikes.

February Rally at Mt Barker Caravan Park	

The Mount Barker Rally was a fairly small one, only 4 vans but what it lacked in size it made up for in enjoyment.
We all arrived on Friday and set up on the oval which was very pleasant. Some of the members went for a walk to the shops, nice walking track into town which would have made it pleasant. We went for a drive and got some details of the movies that were on at the cinema and the menu at the Wallis Auchendarroch Tavern which we all had a look at. Only 4 of us decided to go to a movie but all of us decided that we would go for a meal together on Saturday night. Had an early get together on Saturday morning then headed off to the Farmers Market then on to the shops. We saw the movie "Brooklyn" which we all enjoyed and others went for drive around before all joining together for a meal at the Wallis Auchendarroch Tavern in the evening. Lovely place with good service and most of us had really nice meals. It turned out to be a lovely weekend and we didn't get any of the predicted heat, in fact the evenings, nights and early mornings were quite cool and the days sunny but not too warm. A good weekend.

Next Rally: Adelaide Beachfront Caravan Park, Semaphore (March)

PACK CAMPING CLUB Inc

February Rally at Moonta Bay Caravan Park	7 Couples Sites $34/nt Cabins $115/nt Estimated local spend: $2950

Even though it was rather warm seven couples spent a pleasant time (various lengths of time) at Moonta Bay. We did our own thing during the day - touring, visiting friends, visiting shops and bakeries, walking on the beach etc. We met for Happy Hour late in the afternoon and on Saturday night we enjoyed a meal at the Moonta Hotel. The sunsets were beautiful and a relaxing time was had.

March Rally at Bush Camp, near Cadell	5 vans, 1 Motel

Five caravans, one motel in Waikerie and visitors (two vans and one tent) enjoyed a relaxing time by the River Murray. Some of the younger ones partook in water sports and some fished (not sure that many were caught). The Easter Bunny visited as usual.

Next Rally: Berri Caravan Park (April)

COROMAL CARAVAN CLUB OF SA

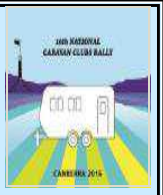
February Rally
at Adare (Victor Harbor) (edited from Newsletter)

Wednesday was a beautiful day and, after an early tea, six of us walked upstream on the walking track alongside the pretty, if somewhat over grown Hindmarsh River.
Next evening we walked in the other direction, out to the river mouth and along the Esplanade. Of course that was after a day of shopping and yakking (mostly yakking). Not long after the Talbots arrived a group of teenagers from the Yankalilla Area School set up tents opposite. We thought we are going to be in for some noisy nights. But we could not have been more wrong. They stayed for three nights and we hardly heard a peep from them. They went out each day and came home looking tired and bedraggled. So feeling we needed to say something Anthony spoke to one of the teachers complimenting him on the young people's considerate behaviour. He was very pleased to get such positive comments. Probably doesn't happen too often in his line of work!
Friday night tea was a bit late night. The grounds at Adare are nice if a bit steep but the grass is kept green and the sites are a reasonable size, but!! on weekends there is nobody there to book people in and out, so when Rudi and Christa arrived on Saturday morning Ken had to ring around to find a motel for them.
Saturday night saw us off to the McCracken Golf Club for tea. It has a fantastic view from the massive dining room windows across the golf course to the surrounding hills. Unfortunately all good things must come to an end and by Sunday night there was two vans left. But we had fun on Sunday and Monday and headed home Tuesday morning.

March Rally
at Moonta Bay Caravan Park (edited from Newsletter)

Early arrivals at Moonta Bay on a very warm and humid afternoon spent a pleasant happy hour sitting under a van awning watching the tide come in and catching up with all the gossip.
Thursday dawned equally warm and humid, so after a trip into Kadina to look around this neat and tidy town with good shopping facilities, we returned to camp, closed the van up and turned the air conditioning on. Just as well we did, as around 1.30pm the caravan park management sent everyone a text message warning of a severe storm approaching Moonta. The sky became black, the thunder rumbled and, within 10 minutes of the warning, a hot wind roared in carrying grit and dust as people rushed to lower awnings and store loose items. Several awnings were torn or completely ripped off and a large tree branch fell a short distance away. Our neighbours had a van full of dirt and dust, as their windows were all open when the wind hit, so we were relieved ours were shut. The wind stopped as suddenly as it started and then the rain set in bucketing down for about 4 hours. As the rain died down, gale force winds sprang up, blowing ferociously all night.
On Friday, we all had dinner at the Moonta Hotel.
A crisp Saturday morning saw most of us out walking various routes around town before meeting to arrange a train trip showing the historical copper mining sites. What an interesting and informative hour we had! At the end of the ride we were all frozen, so back to warm up after deciding to have a fish 'n' chips meal together at the nearby cafe a bit later. Early Sunday was travelling home time.

Next Rally: McLaren Vale Caravan Park (April)



When and Where is the next National Caravan Clubs Rally?

STOP PRESS: There are currently over 600 registrations for this Rally

The 16th National Rally of the Caravan Clubs of Australia, will be held at the Exhibition Park in Canberra (EPIC), situated on Flemington Road Mitchell, in the Australian Capital Territory, from Monday 19 to Wednesday 28 September 2016.

EPIC is just a short distance from the main Canberra city centre. This is a modern complex with large comfortable buildings at visitors disposal.

All evening activities at the rally will be held in a large air-conditioned building. This building may be familiar to visitors as it was the National Tally Room in the recent federal election.

RALLY COSTS

The total cost for this Rally is $400.00 including the registration fee of $30.00. Everything you need will be on site. There is even a service station and a McDonalds attached to the site.

More information can be found at

http://www.16thnatcaravanrally.org.au.

ELIZABETHAN CARAVAN CLUB Inc

November Rally at Pt Broughton Caravan Park	13 Vans + 1 Visitor Cost P/N: $33:00

Soaring temperatures greeted us and continued all weekend. A surprise arrival of 1 pair of nomadic, wandering travellers was unexpected, but of course, it was great to see them, and hear their travel tales. We welcomed 2 new Members to the Club and wish them many happy Rallies with us. For the evening meal it was a mixed batch, with some going to the Golf club for Schnitzel Evening and others using the Camp Kitchen to cook for themselves. Good reports from the Golf Club with having fun and winning raffle prizes, and great meals. Saturday morning Trash & Treasure was on at the local Scout Hall. For the rest of the day there was a varied program of things in the area to do for everyone's enjoyment. Evening meal at the Port Broughton Hotel seated in a large dining room with a huge choice of tempting meals. Only a few left for home on Sunday. All agreed it had been a very enjoyable weekend.

December Rally at Coobowie Caravan Park	Vans: 15+ 1 Visitor Cost p/n: $25:00

The New Park Managers were very welcoming. A good attendance of Members Vans. Lovely weather. Our Christmas Meal was at lunchtime Saturday at the Troubridge Hotel, Edithburgh. We were welcomed by friendly staff then directed to the dining room that had beautifully set tables waiting for our arrival. We enjoyed excellent, well presented, piping hot meals, efficiently served. Very good value (a special deal at $25per 3 course meal - pre ordered). Highly recommended. All returned to C/P for Santa & Elf's arrival and the giving out the Kris Kringle Gifts. Plus Two Raffle baskets and one Door Prize. A great afternoon then followed on in the Old School. A secret ballot during the evening for Best Dressed Caravan to win a bottle of wine. On Sunday the Park Management welcomed all to a Pancake Brekky followed by a late check-out after Farewell & Goodbye. A great weekend.

January Rally (Club BBQ) at Carisbrooke Park	Members: 17 Cost: Nil

0ne day only from 12 mid-day onwards. Main North Road.
Nearly all the Members arrived for the First CLUB BBQ. Making an early start we managed to set up before the expected heat arrived. Many hands made light work setting up the gazebos, giving much needed shade to sit under and catch up with each other. Meeting new Members and the not so new. The telling and listening to travel tales and catching up with the things everyone had been doing. Then once the BBQ was ready to use, the 3 cooks did a fantastic job in making sure the meat, sausages and onions were cooked to perfection. Meanwhile a fabulous array of Salads, dips and bread were tempting us. Making it all the more difficult to wait for everything to be ready. The delicious aromas continued wafting under our noses. The day proved to be a great way for everyone to get together, on a beautiful afternoon, in a very relaxing way. Gradually the crowd left for home & somewhere cool.

Next Rally: ? (February)

Dave Benson Caravan Club

February Rally at Moonta Caravan Park	9 Vans Summer discount stay 7 nights pay for 6
March Rally at Middleton Caravan Park	3 Vans $36 per night and an extra cost for weekends $48

After discussions with management we were only charged $36 per night, the discount price.

NOTE: At both Caravan Parks Members were charged different pricing.
After discussions with both park managements a refund was given.

WANDERERS CARAVAN CLUB OF SA, Inc

March Rally at Coobowie Caravan Park	17 Vans $25/night + 2 Cabins $85 /night. Estimated local spend: $3,600

Friday: Arrival of vans, meet and greet as usual as vans arrive. After setting up is all completed it is almost time for happy hour. This was followed by a communal BBQ, with more chatting and fun.
Saturday: This was mostly a free day. Quite a few of us drove into Yorketown to visit a charming little Bakery run by a chef who cooks all her foods on premises. The sights of the local area were explored, culminating back at the park, for our general meeting. We welcomed 2 new members to our club. As it was the Clubs 40th Birthday rally a special deal was arranged with the Coobowie hotel. The meal cost $25 per head for 2 courses. It was a great night, with the cutting of the cake made for us by a member.
Sunday: Morning tea as usual in front of the president's caravan. Safe travels for those going home. The rest of us just sat around and discussed the problems of the world and solved them of course.
Overall impression: Great rally, in a very nice park, with impeccable hosts. The pancake breakfast, put on by the park management, was a nice finishing touch.

Next Rally: Laura Caravan Park (April)

JAYCO JAYBIRDS CARAVAN CLUB OF SA

February Rally (edited from Newsletter) at Blanchetown Caravan Park	

The February rally to Blanchetown was approaching and the weather forecast was perfect for a visit to the Riverland. As we arrived on Thursday night we were greeted at the gate by Rose (Park Manager) with a warm welcome. She directed us to our site where we found three other club members had the same bright idea and had checked in early. They were ready to "rally".
Waking up Friday morning to a menagerie of bird calls was very relaxing. Tom headed off for a round of golf at Swan Reach with Alan in tow as his caddy. Others went off exploring the area while some stayed at camp and enjoyed time together. Friday night happy hour was well attended and was followed by a shared BBQ tea. It was a beautiful night under the stars. It was agreed Saturday morning was the time to get the kayaks wet. Brian, Anne, Lyn and Phil showed how it was done, launching off in front of the caravan park dodging ski boats as they paddled downstream to the lock. Other club members joined the kayaking or watched from the riverbank while Jet skiers, wake boarders and people using water jet packs showed off their style. Molly became an internet sensation demonstrating how doggy paddle should really be done. The men made a decision that "every good Jayco Club should have a water jet pack". One up on the flag poles other clubs have. Happy hour started very early with drinks, lunch and ice-creams on the riverbank and finished back in the park after a dip in the pool by most of the rally attendees. This was followed by another shared BBQ tea, drinks and great company. Sunday morning most attendees slowly packed up before heading home. Although the park was a bit run down, it was a very relaxing rally and the park managers were very friendly and helpful.

March Rally (edited from Newsletter) at Goolwa Camping Tourist Park	

Did we all have a great weekend at Goolwa? I think so, judging by the socialising, laughing, eating and consumption of various beverages. Once again, a very successful weekend I think. Meals were great again and I wonder if the occasional booking for lunch at a cafe or similar might not be a good choice from time to time. Those of us who walked on the beach at the Mouth of the Murray, had fun, with target practise taking place with the odd "sea ball". The dogs thought this beach was terrific. Some went off visiting Strathalbyn, Langhorne Creek and lunched at the Green Man cafe. Some of us walked the Goolwa main street found there was a lot to see and do. Perhaps another visit to Goolwa might be arranged some time, as there are activities, i.e. Cockle Train and Paddle steamer cruise which might be interesting.

Next Rallies: Berri CP (March), Keith CP (April)

SOUTHERN CROSS CARAVAN CLUB Inc

February Rally at Semaphore Caravan Park	11 Vans, 1 Cabin. 13 visitors Site fees $35 with Club discount Estimated local spend $4,000

Most arrived on Thurs. Decided to attend the Semaphore Surf Life Saving Club which is within walking distance, just behind the park. Great meals, huge serves and great service. Friday was free to explore the area whilst waiting for the last of our members to arrive. We had happy hour at 4pm along with the Presidents Meet and Greet. We then attended dinner again at the same Club along with 13 visiting members. Saturday morning we gathered for the traditional Tizer Quiz. 39/50. Not bad considering they were really tough questions that week. We then had free time to go shopping at West Lakes and check out the many op shops. Some members checked out old haunts from their younger days. Later there was Happy Hour again followed by a Community Dinner in the Club's Gazebo. Entertainment was simple but fun and interesting with members talking & showing Tips, Tricks & Gadgets that they couldn't be without in their van. Sunday was free again with a few venturing out to the

SOUTHERN CROSS CARAVAN CLUB

February Rally (Continued from previous page)

Port Dock Markets and the Fruit and Veg Markets near the Power Station. For dinner, we sent two men out to collect our large order of fish & chips.
We had a great time in a park not far from the majority of our homes. Management were very good and helpful.

March Rally at Adare Caravan Park, Victor Harbor	**10 Vans. 3 Cabins. 2 visitors.** Site fees $23 and Cabin $81 with discount. Estimated local spend $2,745.

Friday - President's meet and greet meeting followed by Happy Hour and then dinner at the Victor Hotel. Most ordered the 3 course carvery which was very nice indeed.
Saturday we had morning coffees in the Club Gazebo and conducted the Tizer Quiz. Difficult questions this week. The collective score was 31 out of 50. Not our best effort.
The rest of the day was free to explore and then we met up again for happy hour in the afternoon followed by dinner in the Gazebo. Cook your own but bring a salad and dessert to share. A sumptuous meal was had. Later out came the wedding albums for a Nostalgia Wedding Theme and some ladies brought along their wedding dresses. The rally officers were surprised with having to re-enact their vows as it was their anniversary . A great night.
Sunday was free to explore the towns again and the markets and we finished the rally with the traditional fish and chip night.

Next Rally: Loxton CP (April)

JAYCO CARAVAN CLUB OF SA Inc

February Rally (edited from Newsletter): at Tanunda Caravan Park	20 Vans

The first Jayco Caravan Club rally for 2016 was at the beautiful Tanunda Caravan Park in the Barossa valley and the weather was sensational. The park was one of the nicest I have been to and it had a large pool, water slide, jumping pillow and they even played a movie on the big screen on Saturday night.
After our set up, Happy Hour started early as we had large open sites and lots of sunshine and shade.
On Saturday we opted for an early start and all met at the Angaston Growers Market for a healthy breakfast of bacon and egg rolls, quiches and coffee. We all got some wonderful bargains of fruit and vegetables to add to our smoothies.
We had never been to Maggie Beers Pheasant Farm so on Saturday afternoon we took a little trip to Nuriootpa and tasted her Pates/Relishes and of course had to buy some for home.
At 4pm the members all gathered for our annual AGM. A few couples who were not staying at Tanunda joined us. The meeting was followed by a scrumptious BBQ and salad dinner with a few drinks provided by the club. The highlight of the night was a donut van that arrived at the park and provided yummy sweets for many of us. He sold plain donuts, jam donuts and milkshakes and Danny was seen visiting the donut van 2 or 3 times - but only to buy for Margaret and others he said! Jen was seen enjoying a peculiar looking donut!!
By this stage many families had gathered on the lawns behind us to watch the movie of the week "Yogi Bear".
About half of the club were lucky to extend their stay another few days and had a beautiful morning at Chateau Yaldara in Lyndoch, enjoying morning tea and a tour of the grounds. On Sunday night another delicious BBQ dinner and salad was enjoyed as there was plenty of leftovers from the AGM.
